

Election Workers Wanted

Are you interested in working at the polling place on Election Day? You do not have to work the whole day. We do split shifts.

Complete an application, and we will submit your name to the Democratic and Republican Town Committees for nomination to be appointed by the Select Board. We will use this list for the next two years when hiring Election Clerks.

Don't belong to a party? You can still complete an application, and the Town Clerk will submit your name, as an unenrolled voter, to the Select Board for appointment in April.
